

Tahuna Sparkling Rose

Tā-hu-nā (n.) – the New Zealand Maori word for riverbank.

The Tahuna vineyards produce super premium New Zealand wines, with ripe flavour-filled grapes sourced from carefully selected alluvial gravel vineyard sites on New Zealand's East Coast. Warm, sheltered sites are selected for Merlot and Cabernet Franc, while cooler sites provide ideal flavour development in Sauvignon Blanc, Chardonnay and Pinot Noir grapes. Reflecting this care and attention in the vineyard, Tahuna wines are hand-crafted by a team of experienced Winemakers to produce rich, soft and approachable wines of exceptional quality.
